

WaterMart® whole home water filtration system

purity, safety and peace of mind

Since 1991... WaterMart® has been a trusted source of water expertise for homes and businesses. We offer objective, knowledgeable advice, the highest quality products, reasonable prices, plus an efficient and professional service team.

Clean, healthy, great tasting water! The WaterMart® whole home filtration system is the ultimate home water treatment system.

The emphasis is on family health: this system will greatly reduce the vast majority of harmful impurities in our tap water. It also cleans itself, ensuring that over time, every glass of water you drink from the system will be as pure as the last.

- Chlorine-free healthy showers and baths.
- Cleans water to all the faucets in your home.
- Reduces chlorine, chloramines, pesticides, herbicides, hormones, pharmaceuticals, cosmetics, VOC's, THM's the list goes on and on...
- Eliminates any bad tastes and odours.

The highest quality components = the highest quality water possible!

- This system is manufactured by the oldest and most popular manufacturer of water filter control systems in the world – this ensures absolute hassle-free reliability.
- Backed by a comprehensive warranty.
- The system can be sized to any home in any area.
- The WaterMart® digital filter control head is independently certified by the National Sanitation Foundation.

Water Quality Association Certification: The WQA's Gold Seal goes to systems that meet or surpass the industry standards for contaminant reduction, structural integrity and material safety. WaterMart® softener filter control heads have consistently made the grade.
