Benefits:

- ✓ Much less expensive than bottled water.
- ✓ No heavy bottles to left.
- ✓ No minimum orders.
- ✓ Much more sanitary.
- ✓ No more plastics.
- ✓ No bottles to store.

Artesian Specifications

Model:

- Hot N' Cold: PSWSA1SHS

- **Two temperature model:** Hot and Cold
- **Cabinet:** Coated stainless steel panels with black front page and pre-drilled holes for simple cup dispenser installation..
- **Convenient Features:** The cooler has a durable dishwasher safe drip tray that lifts out for easy removal.
- **Stylish & Sturdy:** An innovative design that integrates well with most contemporary kitchen and break room decors. The cooler features a type 300 Stainless steel hot tank and reservoir with external copper refrigerant coil.
- **Cold Water Refrigeration Unit:** Convection cooled condenser. Internal, spring mounted, hermetically sealed compressor with automatic overload protector requires no lubrication. Refrigerant is controlled by a capillary tube.
- **Cold Water Reservoir:** Temperature is controlled by an adjustable thermostat and easily accessible on the rear of the unit.
- **One-Piece Hot Water Tank:** 500 watt heating element. One-piece type 300 series stainless steel hot tank is easy to replace or service without breaking soldered refrigeration connections.
- **Hot Water Capacity:** 45 x 6 oz. cups of piping hot water per hour. 1 1/2 quart storage tank.
- **Lead-Free:** Components in the water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model listed by Underwriter's Laboratories to U.S. and Canadian Standards.
- **NSF Certified:** The Artesian Water Cooler is certified to NSF/ANSI Standard 372 for low lead.
- **UL Listed & Energy Star Rated:** Meets or exceeds UL water standards and is Energy Star rated for energy efficiency.
- **Hot Water Safety Faucet:** Self-closing activation requires a two-step action that's easy for adults to use, but protects small children.
- **Float System:** Dual mechanical floats include a safety lock
- **Drip receptor:** Durable dishwasher safe drip tray lifts out for easy removal.
- **Electrical:** 115 volts, 60 hertz. 1/20 hp water cooler compressor. Three wire service cord & polarized plug
- **Warranty:** Limited 3-year warranty (within the Continental Limits of the U.S. and Canada). Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each cooler; sample copy available upon request.

Dimensions: W 12" x D 12 1/2" x H 42 7/8" | Dispenser: Height: 8 1/2" | Approx. Net Weight: 40lbs
