- 3 year limited warranty

Model:

- Tri-temp: MIR311D

Benefits:

- ✓ Much less expensive than bottled water.
- ✓ No heavy bottles to left.
- ✓ No minimum orders.
- ✓ Much more sanitary.
- ✓ No more plastics.
- ✓ No bottles to store.

Mirage Specifications

- **Cabinet:** High impact polymer on top, base and front panel.
- **Convenient Features:** The cooler has a durable dishwasher safe drip tray that lifts out for easy removal.
- **Stylish & Sturdy:** The MIR311D-3 has an innovative design that integrates well with most contemporary kitchen and break room decors. The cooler features a type 300 Stainless steel hot tank and reservoir with external copper refrigerant coil. The reservoir is encased in molded plastic foam insulation.
- **Cold Water Refrigeration Unit:** Convection cooled condenser. Internal, spring mounted, hermetically sealed compressor with automatic overload protector requires no lubrication. Refrigerant is controlled by a capillary tube.
- **Cold Water Reservoir:** Type 300 series stainless steel with external copper refrigerant coil. Encased in pre-fitted molded plastic foam insulation.
- **One-Piece Hot Water Tank:** 500 watt easy to service or replace heating element. One piece tank is easy to replace or service without breaking soldered refrigeration connections. Hot tank is a type 300 series stainless steel.
- **Hot Water Capacity:** 45 x 6 oz. cups of piping hot water per hour. 1 1/2 quart storage tank.
- **Temperature Safety:** This water cooler has a 500 Watt heating element with an adjustable thermostat for perfect water temperature. The thermostat also has a safety limiter so you can not make it so hot that it can burn. Hot water is a self-closing activation unit that requires a two-step action, making it easy for adults to use, but protects small children.
- **Drip receptor:** Durable dishwasher safe drip tray lifts out for easy removal.
- **Electrical:** 115 volts, 60 hertz. 1/20 hp water cooler compressor. Three wire service cord & polarized plug
- **Lead-Free:** Components in the water cooler are lead-free as defined by the Safe Drinking Water Act Amendments of 1986 and the Lead Contamination Control Act of 1988. Model listed by Underwriter's Laboratories to U.S. and Canadian Standards.
- **NSF Certified:** The Mirage Water Cooler is certified to NSF/ANSI Standard 372 for low lead.
- **UL Listed & Energy Star Rated:** Meets or exceeds UL water standards and is Energy Star rated for energy efficiency.
- **Warranty:** Limited 3-year warranty (within the Continental Limits of the U.S. and Canada). Three years on the sealed refrigeration system, one year on most component parts. Detailed warranty certificate enclosed with each cooler; sample copy available upon request.
- Specifications are subject to change without notice

Dimensions: W 12 ¼" x D 13" x H 41" | Dispenser: Height: 8.5" | Approx. Net Weight: 37lbs
